

DrPhoneFix Expands Locations into Walmart Stores Nationwide

Cell phone repair franchise, DrPhoneFix is excited to announce that its franchise locations can now be opened in Walmart shopping centers throughout the United States!

Fort Lauderdale, Florida ([PRWEB](#)) November 09, 2016 -- Cell phone repair franchise, DrPhoneFix is excited to announce that its franchise locations can now be opened in Walmart shopping centers throughout the United States!

Headquartered in Fort Lauderdale, Florida, DrPhoneFix is excited to announce it has opened its first six Wal-Mart locations. Based within Florida Walmart stores, the company has sites in Oldsmar and Tampa as well as two locations in Naples. Additional Wal-Mart locations include Plano, Texas and Pittsburgh, Pennsylvania.

DrPhoneFix locations existing within Wal-Mart stores provide owners and staff the opportunity to serve a larger and more broad customer base. It will also provide Wal-Mart customers with the convenience and value of the services and products offered by DrPhoneFix.

DrPhoneFix was founded in 2011. As the complexity of cell phones increased over the years, so did the demand for quick and affordable repairs. Naturally, DrPhoneFix saw quick success and growth. Its in-depth training programs and comprehensive support to franchise owners, allowed the company to open 27 locations throughout Florida, Utah, Alabama and North Carolina.

Franchise opportunities are available throughout the country and new locations are opening rapidly. Business professionals are quick to take advantage of this booming industry and comprehensive training provided by DrPhoneFix. For example, franchise owners are trained in all of the following areas: store operations, marketing support, cell phone repair and sales.

Since its opening, DrPhoneFix's teams have repaired more than over 400,000 mobile devices. In addition, the company sells the newest smartphone and tablet accessories at each repair location. Although the company is based in Florida, it aims to have a DrPhoneFix in every state, and soon, every city. DrPhoneFix expects its deal with Walmart to significantly increase the amount of franchisee applicants and location openings.
